# ISA NATIONAL AWARDS

## ABSTRACT GUIDELINES FOR AWARD SESSIONS

### 1. KOP's National Award, ISA Jaipur Award, ISA Dr. M.T Bhatia Young Pain Physician Award

#### Submission : ISACON 2026 Website Portal

Submit your Abstract (structured summary of study) as per the following template  
Maximum **250 words** excluding Title, Authors, Affiliation. E-mail, Mobile number  
and References

#### TITLE:

- Complete title
- Title should not be written in inverted commas or capitals except for the first character of the title and the character beginning after a colon

e.g., Comparison of dexmedetomidine, haloperidol, and propofol sedation on  
intra-abdominal pressure, inflammatory response, and clinical outcomes in  
patients with abdominal sepsis: A randomised controlled study

- Authors: Full name: Author 1, Author 2...

- Affiliation: Department and Institute/Hospital, City, State, Country
- Email of corresponding author:
- Mobile of corresponding author:

**Abstract:**

**Background and aims** (mention what is known and what is intended to be assessed in the present study; specify the aim and objective clearly here)

**Methods** (include Ethical Committee approval, trial registration, patient consent, settings and design, interventions, and statistical analysis used)

**Results:** Mention P values, SD with Mean, IQR with Median along with 95% confidence interval

**Conclusion:** (Based on Primary Objective)

**References:** Include up to 2 relevant latest references

**Keywords:** Provide 3 to 5 appropriate MeSH keywords

**Tables/Figures:**

- A maximum of two tables/figures can be submitted.
- Provide legend to the tables and figures.

**General Instructions:**

- Please follow UK English and should be used uniformly throughout the text [e.g., anaesthesia (NOT anesthesia), haemoglobin (NOT hemoglobin), programme (NOT program), haemodynamics (NOT hemodynamics), etc.]
- Abbreviations should be spelt out with abbreviation in bracket adjacent to the expanded form in the first time it is cited in the abstract.
- Please do a plagiarism check before submission
- The paper related to the abstract should not have been presented before in any conference (of any state/national/ any other organisation)

- The authors should not use generative Artificial intelligence (AI) tools in the preparation of this submission. AI-assisted tools can be used only for language editing and Grammar correction. The authors and their guides wherever applicable should give an undertaking regarding this during submission.
- The full paper should not be already published or submitted for publication.

## **2. ISA DR. B.B. Mishra Young Anaesthesiologist Award**

### **Submission: ISACON 2026 Website Portal**

- Submit the CV and related details including Degree Certificate & Medical Council Registration Certificate) online with necessary attachments as proof.
- Certificates of paper presentation and first page of papers published are considered as proof for presentation and publication and can be uploaded in CV.
- All the files should be combined into a single pdf file of size less than **1 MB**

## **3. ISA Innovation Award**

### **Submission: ISACON 2026 Website Portal**

A short write up of less than 250 words of the innovation. The physical, chemical, biological and technological basis of the innovation, its design / formula, discuss the usage in lab / manikins / animals / simulations / clinical cases / trials, etc.

## **4. ISA One Minute National Award**

### **Submission: ISACON 2026 Website Portal**

A short write up of 150 words of any topic (anaesthesia / critical care / pain / palliative care, devices, new knowledge, innovations, software, anecdotal experience, medico-legal, etc.,) to be presented.

## **5. ISA All by Myself Award**

### **Submission: ISACON 2026 Website Portal**

A short write up of maximum 250 words (excluding title) of presenting topic

### **Submission: ISACON 2026 Website Portal**

Submit a preliminary video of “one minute only” on anaesthesia / Critical Care / Pain / Palliative Care topic

## **7. ISH - NARANI BEST POSTER NATIONAL AWARD**

### **Submission: ISACON 2026 Website Portal**

- Abstract guidelines are same as for e-posters and should be submitted in the e-posters abstract link
- Ten e-posters will be selected for the final competitive presentation session of ISH - NARANI BEST POSTER NATIONAL AWARD.

## **8. ISA Dr, Ashok Jhadav Memorial Award**

### **Submission : ISACON 2026 Website Portal**

Submit your Abstract (structured summary of study) as per the following template  
Maximum **250 words** excluding Title, Authors, Affiliation. E-mail, Mobile number and References

#### **TITLE:**

- Complete title
- Title should not be written in inverted commas or capitals except for the first character of the title and the character beginning after a colon

e.g., Comparison of dexmedetomidine, haloperidol, and propofol sedation on intra-abdominal pressure, inflammatory response, and clinical outcomes in patients with abdominal sepsis: A randomised controlled study

- Authors: Full name: Author 1, Author 2...
- Affiliation: Department and Institute/Hospital, City, State, Country
- Email of corresponding author:
- Mobile of corresponding author:

### **For original research paper**

#### **Abstract:**

**Background and aims** (mention what is known and what is intended to be assessed in the present study; specify the aim and objective clearly here)

**Methods** (include Ethical Committee approval, trial registration, patient consent, settings and design, interventions, and statistical analysis used)

**Results:** Mention P values, SD with Mean, IQR with Median along with 95% confidence interval

**Conclusion:** (Based on Primary Objective)

**References:** Include up to 2 relevant latest references

**Keywords:** Provide 3 to 5 appropriate MeSH keywords

#### **Tables/Figures:**

- A maximum of two tables/figures can be submitted.
- Provide legend to the tables and figures.

### **For case series/case report**

#### **Abstract:**

- **Background** (mention what is known and what is intended to be projected in the present case. Highlight novelty)
- **Cases/Case/Description** (for innovation) (include details of cases/case/innovations. Mention patient consent)
- **Conclusion:**
- **References:** Include upto 2 relevant latest references
- **Keywords:** Provide 3 to 5 appropriate MeSH keywords

### **Figure/Table:**

- Maximum of one figure/table can be submitted
- Provide legend to the tables and figures.

### **General Instructions:**

- Please follow UK English and should be used uniformly throughout the text [e.g., anaesthesia (NOT anesthesia), haemoglobin (NOT hemoglobin), programme (NOT program), haemodynamics (NOT hemodynamics), etc.]
- Abbreviations should be spelt out with abbreviation in bracket adjacent to the expanded form in the first time it is cited in the abstract.
- Please do a plagiarism check before submission
- The paper related to the abstract should not have been presented before in any conference (of any state/national/ any other organisation)
- The authors should not use generative Artificial intelligence (AI) tools in the preparation of this submission. AI-assisted tools can be used only for language editing and Grammar correction. The authors and their guides wherever applicable should give an undertaking regarding this during submission.
- The full paper should not be already published or submitted for publication.

## **9. DR. T.N. JHA AND DR. K.P. CHANSORIYA MEMORIAL NATIONAL MEDAL AND TRAVELLING GRANTS**

**Submission: ISA National Headquarters (ISA Website) and ISACON 2026**

**Website Portal**

Applicant should submit the application along with all documents as per the guidelines to the ISA national headquarters. A copy of abstract of paper submitted to the ISA headquarters should be also be submitted in the ISACON 2026 website portal link.

Submit your Abstract (structured summary of study) as per the following template Maximum **250 words** excluding Title, Authors, Affiliation. E-mail, Mobile number and References

**TITLE:**

- Complete title
- Title should not be written in inverted commas or capitals except for the first character of the title and the character beginning after a colon

e.g., Comparison of dexmedetomidine, haloperidol, and propofol sedation on intra-abdominal pressure, inflammatory response, and clinical outcomes in patients with abdominal sepsis: A randomised controlled study
